Short Profile of Organisation

The Center for Applied Policy Research (C•A•P) at the University of Munich was founded in 1995 in order to bring together the privately funded practice-oriented research work attached to the professorship held by Prof. Werner Weidenfeld. Today, the Center is the largest university policy research institute on European and international questions in Germany. For more information see: <http://www.cap-lmu.de/english/>.

Date: 11.08.2010
